

ESOM

ENHANCING SPORT ORGANISATIONS
AND MANAGEMENT

ESOM General Training

Co-funded by
the European Union

SUMMARY

On February 14, 2023, EUSA Institute and the University of Ljubljana hosted the kickoff meeting and general training of the project Enhancing Sport Organisations and Management (ESOM), co-funded by the European Union.

Main aim of the project is to strengthen management and event organisation in university sport. This will be done through blended learning, sharing experiences, gaining new information and skills on the key topics of sports management, funding, communication and other key topics.

On behalf of the hosts, the participants were welcomed by the EUSA Secretary General Mr Matjaz Pecovnik and Vice-Rector of the University of Ljubljana Mr Matjaz Drevensek.

EUSA Communications and Projects Manager Mr Andrej Pisl guided the participants through the main project objectives and activities. All project partners were able to introduce themselves and the organisations they represent.

The participants also discussed more specific aspects of the project management, including the financial and contractual obligations, review of planned activities, internal and external communication, and specifically next steps.

Main activities and pillars include research (conducting a survey and collecting good practice), education (online and live workshops and seminars), and dissemination (creating resources and recommendations, conferences). The project primarily and directly addresses EU priorities on supporting Good Governance in Sport through promoting the quality of coaching and staff, and also indirectly by promoting Sport and Education, supporting the dual careers of athletes.

The project kickoff was also an opportunity to have a short guided tour of the Rectorate of the University of Ljubljana, as well as visiting sports facilities of the University of Ljubljana and see the approach of engaging students in sport in practice.

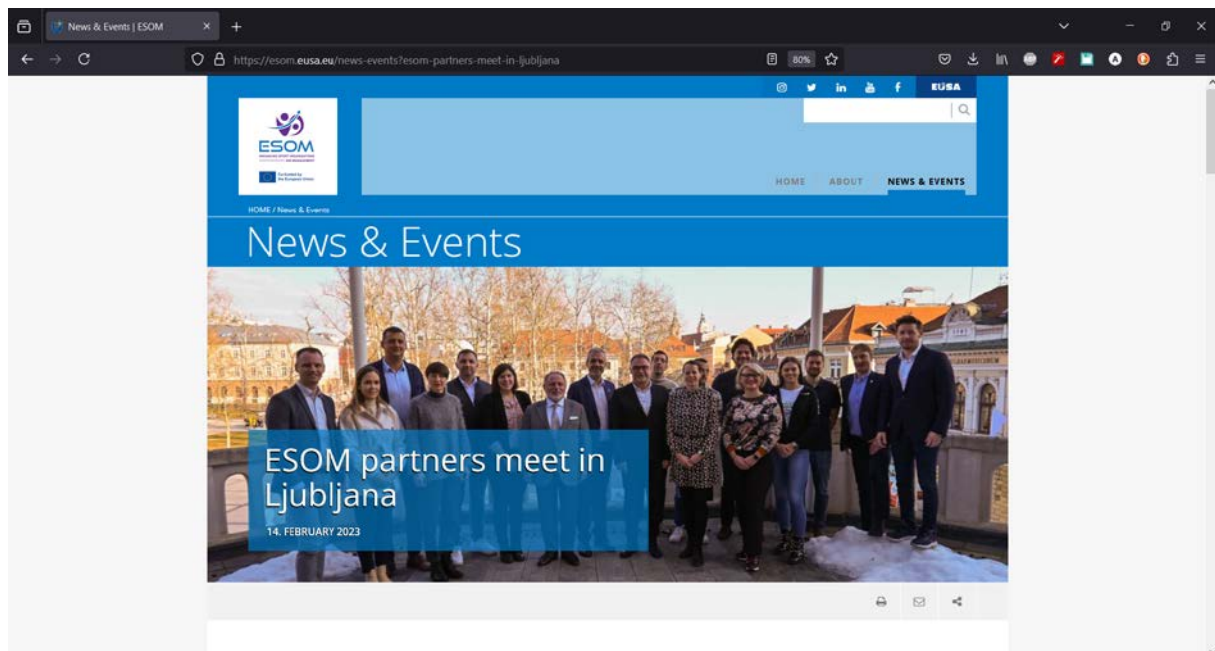

ESOM is lead by the EUSA Institute (SLO), with national university sports associations: Croatian Academic Sports Federation (CRO), Hungarian University Sports Federation (HUN), Students Sports Association of Montenegro (MNE), Student Sports Association the Netherlands (NED), University Sports Association of Poland (POL), Sports Students' Union of Ukraine (UKR) and the University of Ljubljana (SLO). The project is co-funded by the European Union.

COMMUNICATION

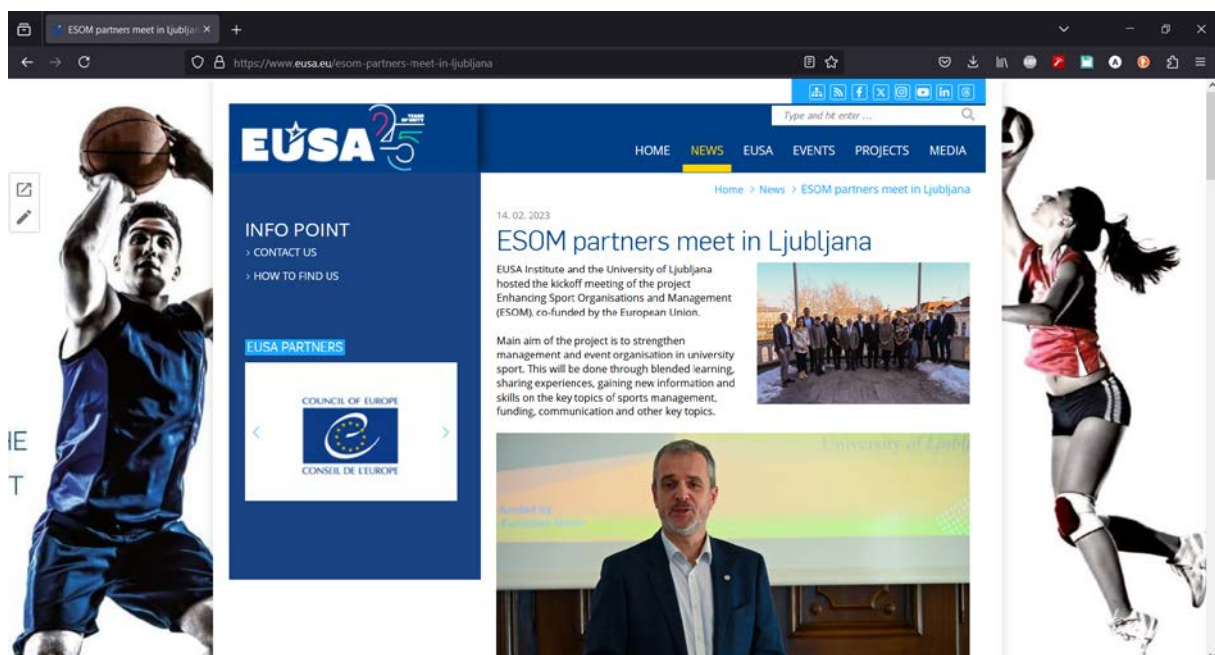

The news about the meeting and general info session was shared on the project website, as well as on the website and social media channels of the coordinator, as well as project partners.

Here we illustrate some examples; detailed clippings will be reported in the EU online tool.

FINANCIAL AND CONTRACTUAL ASPECTS

FUNDING CONCEPT

1. LUMP SUM FUNDING

2. FINANCIAL ASPECTS

How it works in
practice.

FUNDING RULES: LUMP SUM FUNDING

Funding Rules – Lump sum Type I

Lump sum is prefixed by the call

Estimated budget per each work package had to satisfy the principles of economy, efficient and effectiveness to the objectives of the actions

- Detailed work packages and their completion (project management, dissemination, events, etc.) – key of the funding mechanism also when reporting
- Focus on results and outputs and not on the administrative and financial elements

CHOSEN ACTION	PRE-FIXED LUMP SUM AS PER CALL (in €)		
Cooperation partnerships (SCP)	120.000	250.000	400.000
Small-scale partnerships (SSCP)	30.000	60.000	
Not-for-profit European sport events (SNCESE)	200.000	300.000	450.000

MINIMUM TIME-LIMITS

Standard time limits after the end of the project

5 YEARS for SCP/SNCESE/CB
3 YEARS for SSCP

Characteristics

- *Confidentiality*
- *Record-keeping*
- *Reviews*
- *Audits*
- *Extension of findings from other grants to this grant*
- *Impact evaluation*

IN A NUTSHELL

- Grant amount = lump sum is fixed for all actions in the grant agreement
- Reporting based on completion of the **work packages** (including deliverables)
- **Audit** of the projects still possible
- Payments – **prefinancing and final payment**
- Periodic report – technical part, status of work packages and financial statements

HUNGARIAN UNIVERSITY SPORTS FEDERATION - MEFS

introduction

The MEFS was the first university sports association in Europe and the second in the world to be founded in 1907.

It is the exclusive organiser of the participation of Hungarian students in the international competitions of the International University Sports Federation (FISU) and the European University Sports Association (EUSA), the national organisation of international university sports events and the Hungarian Universities National Championships (MEFOB).

It strongly supports recreational sport at university level, so that university and college students (typically young people aged 18-28) can become healthy Hungarian intellectuals by playing sport regularly every week.

EUROPEAN UNIVERSITIES GAMES

EUSA

Among the events that have already taken place are the 2016 World University Orienteering Championships and the 2017 European Universities Basketball Championships, as well as the first ever MEFOB Fest in 2022.

Miskolc will host the European Universities Badminton and Water Polo Championships in 2023 and will co-host the European Universities Games in 2024.

UNIVERSITY OF MISKOLC

introduction

The university has a long history, its alma mater is the Mining and Metallurgy University founded in 1735. Our students and teachers maintain the same traditions to this day.

Nearly 9,000 students study at the university's 8 faculties, from that the earth and material sciences stand out and give the main characteristic of the institution.

We have a real green Campus close to the nature, with 7 dormitories and numerous academic buildings.

The campus of the University of Miskolc is located between the city centre and Miskolctapolca, on an area of about 75 hectares, with listed buildings and an arboretum-like park. One of the strengths of the University of Miskolc is its high-quality and diverse sports life.

UNIVERSITY OF MISKOLC SPORTS CLUB - MEAFC

introduction

The primary aim of the Sports Club of Miskolc University (MEAFC), founded in 1951, is to provide regular opportunities to students, faculty members and other employees of the university to participate in sports and competitions. It has more than 700 persons engage in sports.

The university sports club also plays a major role in the sports life of the university and the city. There are currently 11 divisions in the field of competitive sports, of which basketball, futsal and volleyball stand out. In addition, the club takes responsibility for the development of university leisure sports and the organization of institutional, national and international sports events.

In 2015, the Miskolc University in cooperation with MEAFC announced a mentoring program for athletes to help coordinate their studies and sports careers.

YOUTH FULL OF PASSION
MODERN ACTIVITY
– RESPECT FOR TRADITION

114 years of tradition

The AZS as the association was established in 1909 in Krakow and from there spread to all academic centers across the country. Thanks to its great and successful history the association is nowadays the biggest students organization in Poland. We associate people for whom sport is primarily a passion thanks to which they are able to fulfill their dreams and achieve sports successes.

Common sports

It is one of the pillars of our activity. For more than 60 years we organize Polish Universities Championships (AMP), which promote sport among students. The best of them receive their opportunities to compete in European Universities Championships.

Professional sports

Our pride is the professional sport. AZS members are sport stars, well-known across the globe. Our athletes win medals at the biggest events (Olympic Games, World and European Championships). We are very active in and successful in World Universities Championships and Universiade.

Olympic sports

Our crème de la crème are athletes from AZS. Polish Olympians, who are the main strength of professional sport in our country, train at AZS Clubs. About 1/3 of the Olympic team of the Polish national team are athletes from clubs of the Academic Sports Association. Here are some of them:

OLYMPIANS FROM THE AZS ARE NATIONAL PRIDE

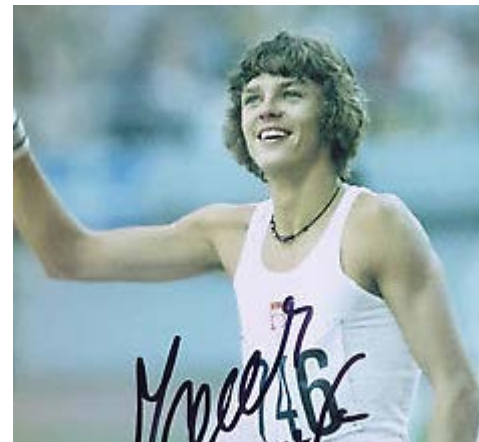

Halina Konopacka

discobolus athlete. She won the discus throw event at the 1928 Summer Olympics, breaking her own world record and becoming the first Polish Olympic champion. three-time record holder in the discus throw, 27-time Polish champion in shot put, discus throw, javelin, high jump.

Waldemar Baszanowski

lightweight (-67.5 kg) weightlifter, a four-time Olympian, two-time Olympic champion, a five-time World Cup winner, a six-time European champion and a twenty-four-time world record holder. He won 9 gold medals of the Polish championships, he set Polish records 61 times.

Jacek Wszół

high jumper, two-time participant in the Olympic Games - in his first start in Montreal he won gold, and four years later - in Moscow a silver medal. In both performances he improved the record of the Olympic Games.

Paweł Nastula

Judoka, Olympic champion from Atlanta in 1996, two-time world champion, three-time European champion, 13-time Polish champion

OLYMPIANS FROM THE AZS ARE NATIONAL PRIDE

Otylia Jędrzejczak

swimmer, Olympic champion, two-time world champion, five-time European champion, three-time record holder of the world, elected the best Polish athlete three times

Szymon Ziółkowski

hammer thrower - Olympic and World champion

Justyna Kowalczyk

cross-country skier, Olympic champion and medalist, champion of the World Cup, four-time winner of the World Cup in cross-country skiing

Tomasz Majewski

shot put, two times Olympic champion, he stood on the podium of European and World Championships, and Indoor European and World Championships
